Greetings Golfers:

As we celebrate our Golden Anniversary, we want to thank you for being loyal customers. We hope all of you enjoyed the summer and we look forward even at this early date to the 2026 golf season. In honor of 50 years, we are not increasing the cost of membership. The price will remain the same as in 2025. Green Fees will however show a modest increase.

We have enclosed the 2026 rate schedule. Once again, we're offering an early bird special membership rate for our returning customers. Your membership purchase includes unlimited green fees for the 2026 season.

The price of renting a motorized cart will be set at \$10 per player per 9-holes. We offer a digitized "punch card" which gives a discount of 10% for pre-payment.

We are continuing with our loyalty rewards program. Purchases of your membership, cart rental, and pro-shop merchandise will be rewarded by points which can later be redeemed as you would a gift certificate. Loyalty rewards cannot be applied to food and beverages or tournament/league fees.

As a reminder, members of the club are entitled to discounts on pro-shop merchandise as well as preferred pricing for many tournaments. Your membership also includes the \$35 USGA fee for 2026 season handicapping. To maintain an accurate handicap, we strongly urge all members to post every practice round from all golf courses you play. We urge you to use the USGA GHIN app on your smart phone to record these scores. If you need assistance Trish or Sarah can help you. We will continue to post competition scores.

Membership payments are not available online please fill out and return the bottom portion of this letter. We are accepting payment via credit card as well as by check. ***Please remember we are unable to provide you with rewards & information regarding specials without a valid email address.***

We hope you all have a safe and healthy off season and we look forward to your return in the spring.

Warm Regards,

John & Trish MacArthur and Family
